APPENDIX A TO PURE OPERATOR TERMS AND CONDITIONS:

PURE CRYPTO CARD USER AGREEMENT

1. Pure Crypto MasterCard. When you hold Cryptocurrencies on Pure Operator you may be given the option to apply for a Pure Crypto MasterCard (“Debit Card”) issued by Optimus Cards UK Limited (“Optimus”). To use the Debit Card, you must agree to the Pure Crypto Card User Agreement (“User Agreement”) set out below and to the Cardholder Terms and Conditions with Optimus (“Cardholder Agreement”).

1.1. Role of the User Agreement. This User Agreement governs the basis upon which Pure Operator will provide you with the Debit Card and your use of the Debit Card, including within the Pure Operator Website and/or Pure APP. The Debit Card is issued to you by Optimus and this User Agreement should be read in conjunction with the Cardholder Agreement and Pure Operator Terms and Conditions.

1.2. Role of the Debit Card. The Debit Card can be used to purchase goods and services from merchants at point of sale terminals, over the telephone, online, or on payment platforms, or withdraw cash from automated teller machines (“ATMs”) that accept MasterCards (“Debit Card Transactions”).

1.3. Preferred Cryptocurrencies. You will be required to select the order of your cryptocurrencies in your Wallet as your default spending Cryptocurrencies (“Preferred Cryptocurrencies”) before you can use your Debit Card and can update your Preferred Cryptocurrencies at any time. When you use your Debit Card, you authorize Pure Operator to facilitate your sale of your Preferred Cryptocurrencies, the proceeds of which you authorize Pure Operator to use to fund Debit Card Transactions in Fiat Currency.

1.4. Role of Pure Operator. Pure Operator is responsible for facilitating your sale of your Preferred Cryptocurrencies (“Cryptocurrencies Services”) and transferring funds to enable payments to merchants for the purchase of goods and services, and to you for ATM withdrawals, in Fiat Currency in the amount authorized by the Debit Card Transaction (the “Purchase Price”) with the proceeds of the Pure Operator Services.

1.5. Debit Card Services. Pursuant to the terms of your Cardholder Agreement, you may use the Debit Card to make various Debit Card Transactions. When you use your Debit Card to make a Debit Card Transaction, you authorize the:

1.5.1. Sale of your Preferred Cryptocurrencies in order you have selected. If your first selected cryptocurrency is not enough for the settlement of the Total Purchase Price (as defined below), you will be charged the second selected and so on, until the total

amount of the Purchase Price plus the accompanying fees and charges described in the Cardholder Agreement, this User Agreement and Pure Operator Terms and Conditions (together, the "Total Purchase Price") is converted at the prevailing trading rate on Pure Operator's platform ("Exchange Rate") (the "Total Transaction Price") from your Wallet; and

1.5.2. Transfer of the Total Purchase Price in Fiat Currency from your Pure Operator Wallet to facilitate the transfer of: (i) the Purchase Price to the merchant (i.e., for the purchase of goods and services) or to you (i.e., for ATM withdrawals), and (ii) any applicable fees and charges.

1.6. Applying for the Debit Card. If you apply for a Debit Card, you will be required to provide certain personal information. You agree that we may share personal information you previously provided to us under our Privacy Policy to verify your identity, with Optimus and with service providers acting on our behalf or on Optimus's behalf solely to verify your identity or address, and/or to manage risk as required under applicable law. Personal information shared with Optimus will be treated in accordance with its Privacy Policy. If you do not provide this information, or if Optimus is unable to verify your identity with the information provided by Pure Operator, your application for a Debit Card will not be considered. We may refuse to facilitate processing of your application through Optimus if we determine in our sole discretion that you are in breach of the Pure Operator Terms and Conditions including but not limited to User Agreement.

1.7. Activating the Debit Card. You must sign a physical Debit Card as soon as you receive it and must activate the Debit Card to be able to use it. Activation instructions are set out on the packaging that the Debit Card is attached to and/or the Pure Operator Site and/or application.

1.8.2.1. Purchase of goods and services from a merchant on the merchant's premises from a point of sale terminal or withdrawing cash from an ATM: You may be required to enter the personal identification number ("PIN") that we will arrange for you to receive from Optimus (or that you may choose) from time to time unless the Debit Card Transaction is being made via a contactless card reader in which case the presentation of the Debit Card will be sufficient to demonstrate consent.

1.8.2.2. Purchase of goods and services from a merchant by telephone, online, or on a payments platform: You may be required to provide Debit Card details such as the

Debit Card number, expiration date, and three digit security code from the reverse side of the Debit Card and/or any other as may be applicable.

This includes situations where Pure Operator has granted you provisional credit in cryptocurrencies or Fiat Currency in connection with a disputed Debit Card Transaction that is later resolved in favor of the opposing party.

1.16. Restriction, Suspension, and Termination. Debit Card Transactions or your Debit Card use may be restricted, suspended or terminated with immediate effect in situations where:

In the event that we decline a card transaction and/or restrict, suspend, or terminate your use of the Debit Card and any/or any or all Pure Operator Services, we will reinstate the Debit Card Transaction and/or lift the restriction, suspension, or termination as soon as reasonably practicable once the reasons for decline and/or restriction, suspension, or termination cease to exist.
